

SIMPLE MACHINES

By : Kayla Hazlett

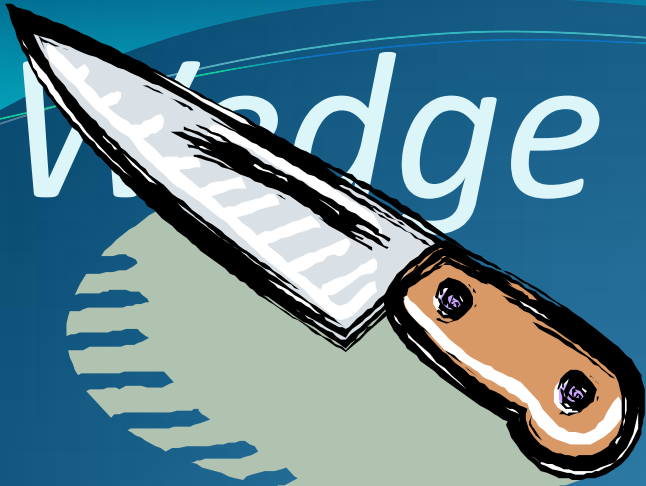

11

Inclined Plane

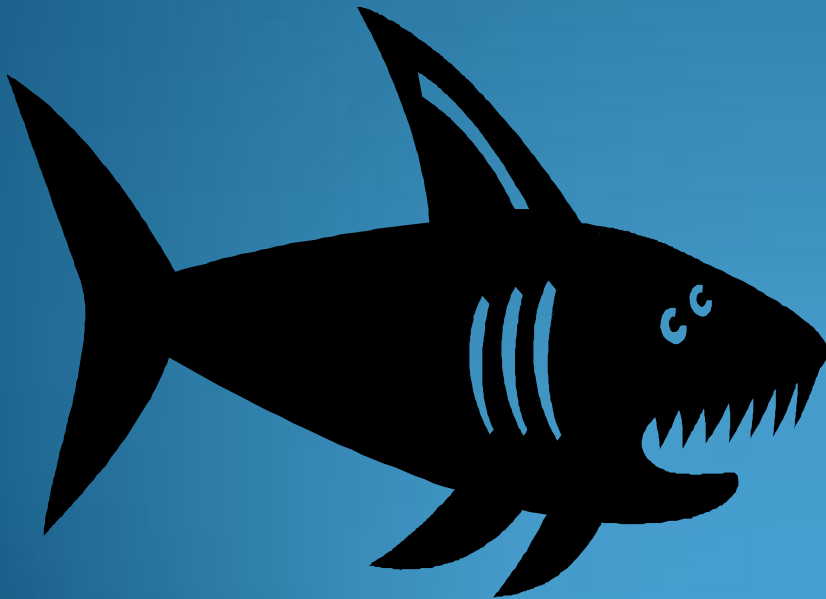

An Inclined Plane is also called a ramp. Stairs, a Bath Tub, and a Sink are all Inclined Planes

Wedge

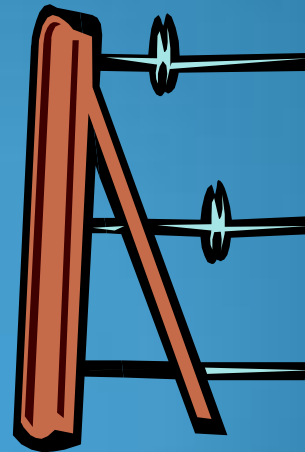

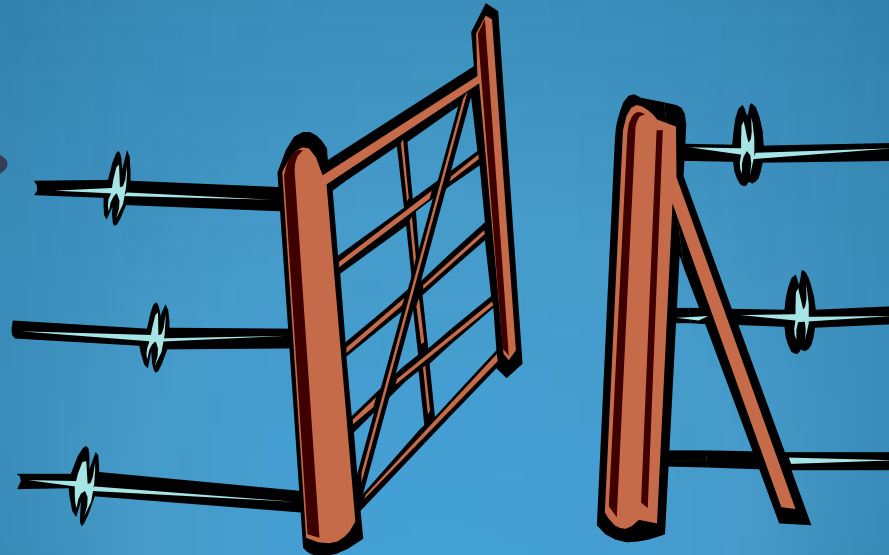

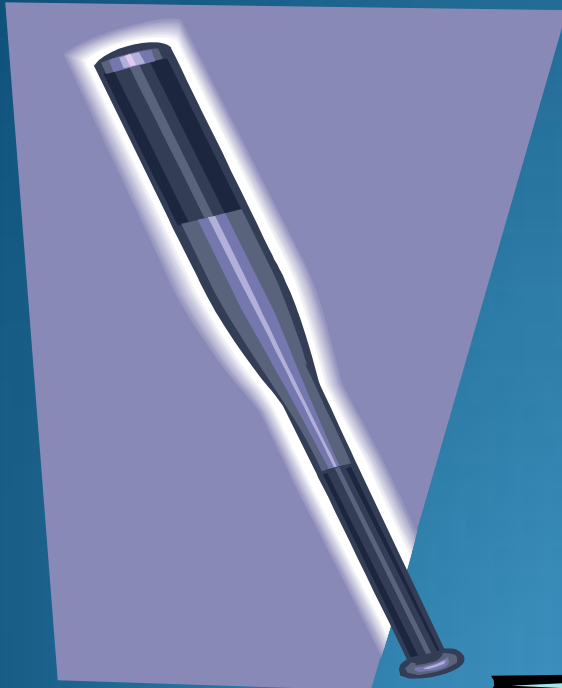

A Knife, Nail, and a Shark Tooth are all an example of a wedge

Lever

*A Baseball Bat, a
Fence Gate, and a
Toilet Handle are all
levers.*

*A door knob,
a car, and
toilet paper
are all a wheel
and axle.*

Wheel and Axle

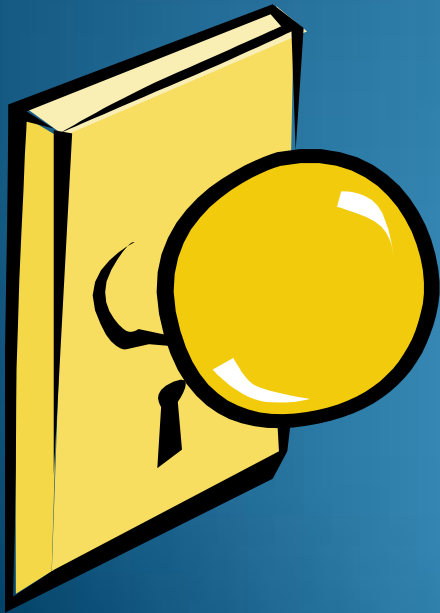

car

Toilet paper

Door knob

Screw

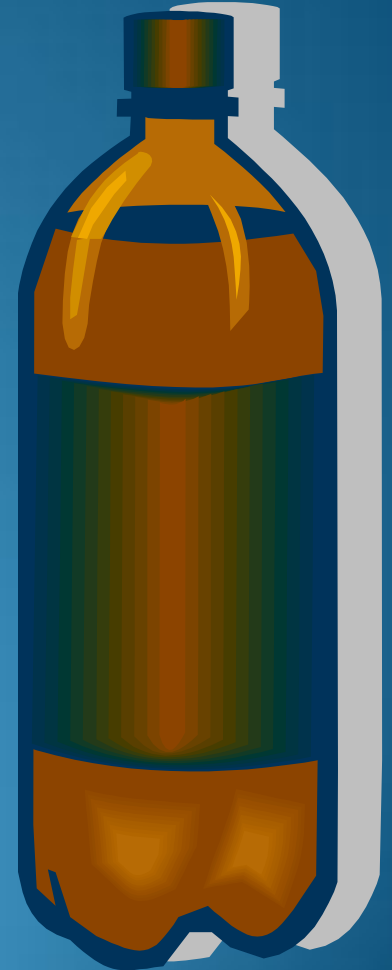

A light bulb is a screw.

A screw.

*A soda bottle lid is a screw
.Isn't that surprising!*

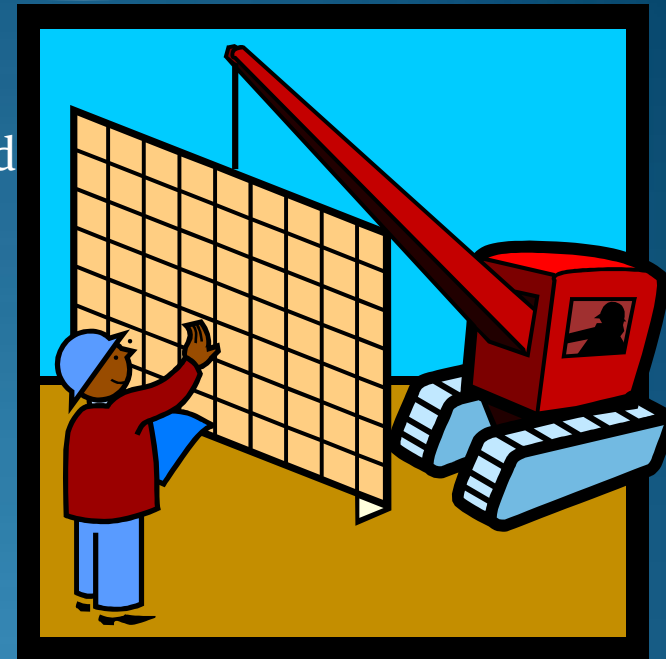

Pulley

A flag pole is a pulley because to raise the flag you use a pulley.

A crane is also a pulley. Did you know there are different kinds of pulleys?

Shoe Laces are a pulley.

The End
